

## AUGUST UPDATE

### OCEANIA

- **Vanuatu (cyclone):** CARE has confirmed distributions and PDM was completed last week. Distributions of stock held back before the PDM are now ready to be distributed targeting identified gaps.

### ASIA

- **India (cyclone):** The first part of the grant has been delivered to Habitat for Humanity International. Remote training is due to take place this week. Local procurement continues and distributions are due to take place in September.
- **Syria (conflict):** Distributions have been completed, 800 families were reached by this project.

### AFRICA

- **Cameroon (conflict):** Distributions are continuing in Minawao camp. ShelterBox are working with UNHCR and IEDA Relief to carry out an emergency shelter needs assessment over the coming weeks.
- **Burkina Faso (conflict):** Project 2 Proposal has been reviewed and is back with HELP.
- **Tanzania (flooding):** The aid is being processed through customs in Dar Es Salaam port, but with further progression late last week.

The partnership between Rotary and ShelterBox provides a place of refuge for vulnerable people to stay as healthy as possible.

When it comes to fighting a pandemic, the most vulnerable need our protection - or everyone is at risk. As emergency shelter experts, ShelterBox has a vitally important part to play in the global response to Covid-19.
